

PLAN COMPARISON CHART

Understand the differences among your options.

One of the decisions you will have to make when you enroll is whether to choose a 401(k) or 457 Plan. These two plans have very similar features, and you may compare them by using the chart. Make sure to review the differences and carefully consider your options before enrolling.

Withdrawal after separation from service	<p>You are eligible to receive a distribution when you separate or retire, regardless of age. All payouts are subject to ordinary income taxes. You are eligible to receive a distribution without an additional 10% excise tax if you are 1) Retired or separated after age 55 or 2) After age 59½, regardless of your employment status. If you receive a payment and do not meet one of those two criteria, you may be subject to pay an additional 10 percent federal excise tax and, if you are a California resident, a 2½ percent state tax.</p> <p>Additional excise taxes may apply unless you qualify for one of the exceptions allowed by the IRS. Contact Savings Plus to discuss exceptions.</p> <p>Options available to you:</p> <ol style="list-style-type: none"> 1. Leave funds in Savings Plus. Once you reach age 70½, the IRS requires you to receive a minimum payment each year. 2. Withdraw funds directly — as a partial or lump sum. 3. Receive periodic payments. 4.
